Do we have a date for CATs to come into Las Palmas, yet?

Thank you,

Hi Laura,

Good speaking with you yesterday. As a follow-up to our conversation, please keep me aware of the timeline and progress regarding the cockroach infestation. We obviously want to see this taken care of as soon as possible so that the seniors and children/families can utilize the facilities as intended.

Please let me know when you expect the work to occur, and let me know if you need any assistance from our office.

Thanks!

Dan Halden
